WILLOW TREE NEWS

NIGHTLINE & LOW LEVEL CHALLENGE COURSES

These are proving to be very exciting and successful.

We appreciate the need to iron out a few more details but hope you will understand that we are working on this.

Thank you to KODAK for giving us a grant to purchase a Rounders Set with flat and pole sticks, Badminton stand and nets and Volley Ball stand and nets.

QUIZ NIGHT

We have had a good response to our Quiz and we are now fully booked.

Thank you to all those who have entered a team. It should be a great evening.

SERVICE TEAM

Members of our former team are now living abroad or at University some distance away so we need to set up another team. If you are a member of the Senior Section or working towards your BP Challenge or Queen's Guide Award, your 'Service Project' could be spent at Willow Tree.

If you are an adult who would be willing to spend one day a month this would be brilliant. This team plays an important part at Willow Tree.

We need also to have a 'Conservation Team' to meet once a month to carry out environmental tasks.

Please contact me if you can help.

Chairman of Willow Tree Management
