

Middlesex North West County

Storytelling competition 2021

This year's World Thinking Day is a chance to stand together with over ten million Girl Guides and Girl Scouts around the world to call for and create peace; in our lives and in the world.

We have all been through a lot over the past year, but we've also had the opportunity to spend more time together, finding out more about ourselves and truly understand the value the of the people around us.

We are inviting all sections to take part in our storytelling competition and explore what friendship and peace means to them.
